IEEE Industrial Electronics Society

Student Scholarships 2013

The Student Activities Committee of the Industrial Electronics Society (IES) offers financial support to the IEEE-IES Student Members to attend IES Conferences.

We have allocated **2** scholarships for **DEST'2013** (Menlo Park, California, USA, 24-26 July, 2013)

Applicants must fulfil the following conditions in order to apply to the IES Student Scholarship Program:

- be an active IEEE-IES Student Member
- reside outside the city in which the conference is held
- have a paper accepted at the conference and be the person who will present it

A paper cannot be awarded more than one scholarship. A person cannot receive more than one scholarship each year

Students interested in the IES Scholarship Program should fill up the attached application form and collect some additional documentation (short CV, copy of the accepted paper and student status certification). They should clearly indicate their IEEE membership number and their paper reference number. All material should be submitted in .PDF format by e-mail to:
